To Whom It May Concern:

We are writing to request exemption from the FCC's Closed Captioning Requirement on the basis of the fact that at this time closed-captioning represents an *undue burden*.

Our show is primarily loosely scripted by nature. Its success is tied to audience participation, often drawing upon local unsigned artist in the Hampton Roads area (Music Videos and Short interviews), along with unsigned artist up and down the east coast. Further because the show is a work-in-progress, the turnaround time between production and airing is typically 48-72 hours.

It is our aim to grow to a place where closed-captioning is standard; however, it poses a significant difficulty given the financial and staffing constraints needed to make our show a reality.

Thank you for your consideration of this request.

UnSigned, Elijah Langley IV
